Representing University Place, Fircrest, Downtown Tacoma, parts of Tacoma's North and South ends, Hilltop, and the Port of Tacoma

Greetings friends and neighbors,

Please join me – along with Council Members Rick Talbert and Derek Young – for a public forum to provide you with another opportunity to learn about the proposed general services building currently under consideration.

The forum will take place on **Thursday, Jan. 22, from 5:00 to 6:30 p.m. at the Pierce County Annex conference room, 2401 S. 35th St., Tacoma, WA 98409.**

PUBLIC FORUM

DATE: *January 22, 2015*

TIME: *5:00 p.m.*

PLACE: *Pierce County Annex
Conference Room
2401 S. 35th St., Tacoma ([map](#))*

MORE INFO: [County General Services Building project page](#)

The building is designed to provide consolidated services (one-stop-shopping) for county residents. Information will be provided on how this project began; building plans including a model; and the impact on the downtown area and neighborhood surrounding the new Pacific Avenue site (former Puget Sound Hospital Campus).

This project has been discussed openly since 2013, but it's clear that people are seeking further clarification and we want to ensure everyone has a chance to be heard. It's also an opportunity for those who may not know the full story to get informed and ask questions. We want to be open with the most up-to-date, accurate information as possible.

I hope to see you there!

Sincerely,
