Pierce County is recruiting college juniors, seniors, or recent graduates for our Tech Internship Program. Come work for a Top 10 Digital Leader in government!

### **Here's Your Chance To:**

- Gain experience with networks, GIS mapping, software development, IT service management, and more.
- Learn the latest tools from expert mentors.
- Work in a small, collaborative environment.
- Provide public service for more than 890,000 residents.

### **What You Can Expect**

- Internships are paid and last 6 months.
- Interns work part time at our downtown Tacoma office.
- We hire interns throughout the year.
