2015 - 2019 Consolidated Plan Survey

CONSOLIDATED PLAN SURVEY

Pierce County's Department of Community Connections is soliciting public input for the County's 2015-2019 Consolidated Plan and the 2015 Action Plan. Pierce County has formed a Consortium with 18 cities for the administration of Community Development Block Grant (CDBG), Home Investment Partnership (HOME) and Emergency Solutions Grant (ESG) funds. The Consolidated Plan is a five-year planning document that describes the Consortium's housing and community development needs and offers strategies to address those identified needs.

We want to hear from you what types of activities you feel are important. We would like you to provide your perception of critical needs in the community. In addition, we would like to gain an understanding of Pierce County's agencies and the supportive role they play in the community. County staff would appreciate your taking a few minutes to complete this survey!
